Child and Vulnerable Adults Protection Policy.

Aldington and Bonnington Parish Council is committed to the health, well being and safety of all children, young people under the age of 18 and vulnerable adults who are either resident in or visiting the Parishes.

None of the activities of the Parish Council involves any Councillor coming into contact with children or vulnerable adults. However, all councillors are asked to remember that it is their responsibility to ensure that:

- Their behaviour is appropriate at all times
- They observe the rules established for the safety and security of young and vulnerable people.
- They follow the procedures in the event of suspicion, disclosure or allegation of abuse.
- They recognise the position of trust in which they have been placed.

In the event of their being approached by a member of the public, young person, child or vulnerable adult on any matter concerning a resident in, or person visiting the villages of Aldington or Bonnington, a Code of Behaviour is detailed below and it is essential that councillors adhere to it.

Code of Behaviour

- Do put this Code into practice at all times.
- Do treat everyone with dignity and respect.
- Do set an example you would wish others to follow
- Do treat all people equally
- Do ensure more than one other adult is present at all times when dealing with a young person or vulnerable adult
- Do advise young people or vulnerable adults who they can talk to, if asked, about any concerns they may have
- Do make everyone aware of the Parish Council's child and vulnerable adult protection procedures, as outlined in this policy: young people, vulnerable adults, parents and volunteers.
- Do remember someone else might misinterpret your actions, no matter how well-intentioned.
- Do take any allegations or concerns of abuse seriously and refer to the Parish Council
- Do Not trivialise any reports of abuse
- Do Not let allegations, suspicions or concerns about abuse go unreported
- Do Not just rely on your good name to protect you.
